# ORDERING INFORMATION

Please use this sheet as a final review before sending your order to us.

PLEASE make sure your parents know this is a one time offer. It will be very expensive to order a single shirt after you have received your order.

- All drawings should be in black marker—no pen, pencil, no colored markers, no tracing over pencil.
- All drawings are original artwork (no copyrighted images, drawings, logos, etc.) Your school logo is OK.
- All teachers submitting orders have **read the FAQ** posted on our website ([www.classroomfaces.com/pdf/faq.pdf](http://www.classroomfaces.com/pdf/faq.pdf)).
- Cut out each drawing, **just inside** the template lines. Put the drawings in an envelope with your name and paperclip the envelope to the order form.
- Make sure you have counted the number of drawings included with your order and that this number matches the number on the order form.
- Complete the order form with your payment and shipping info---even if it is a multiple order and only one check is being sent with the entire order. Orders must be mailed, not faxed.
- Your fax number is required.
- You may pay by credit card, your personal check or school check. NO parent checks please.
- SCHOOL ORDERS MUST INCLUDE TAX EXEMPT CERTIFICATE**

The minimum order for a class with 27 or less drawings is 15 shirts. There are higher minimums for classes with higher numbers of drawings. ([www.classroomfaces.com/prices.asp](http://www.classroomfaces.com/prices.asp))

We will use our best judgment when making your layout. We normally position the staff at the top and then arrange the children. **If you want to make changes to the layout** (changing the wording, repositioning pictures, etc) there will be a **minimum charge of \$15** to cover the extra graphics time.

Please finalize your shirt count before sending in your order. Adding shirts or changing sizes to an existing order often results in errors and may result in significant delays. If you find you have made a serious error and absolutely must make changes, your shirt order will be pulled from our production schedule, the changes will be made after payment is received, and your order will be then be put back at the end of the current schedule.

**Shipping charges to the continental US** are as follows: \$10 for a single order shipped to a school; Group orders (orders from the same school) are \$10 for the first order and \$7 for each additional order. **Add \$4 to the shipping total if shipping to a residential address**

**Shipping charges to Alaska, Hawaii and outside the US** will be our actual costs. These charges will be higher than continental US. We can estimate these charges ahead of time; however, we won't know exact cost until we are able to weigh your shipment. We suggest you use a credit card to cover shipping costs.
